

Quality Policy

The Management of Rent N Arc has established this internal quality policy to be consistent with the purpose and context of our company's strategic direction. This policy provides a framework for establishing and reviewing the effectiveness of our quality management system.

Rent N Arc strives to fully understand our customers' requirements and consistently meet or exceed these expectations by continuous improvement of our completed projects.

Our quality philosophy and goals are as follows:

- Fulfill customers' rental requirements with high quality product and service;
- Be the leading welding expert in the industry;
- Always meet or exceed our customers' expectations;
- Ensure our customers' requirements are met within agreed timeframe;
- Ensure open and transparent two-way communication with our customers;
- Drive to continually reduce the costs due to non-quality;
- Ensure our employees are improving their skills and ability to act with accountability, and
- Execute training within our teams to ensure desired skill sets are in place.

Rent N Arc is committed to continuously improving the effectiveness of our quality management system by maintaining, monitoring, reviewing, auditing and enhancing our performance.

Rent N Arc internal Quality Management System is to be communicated throughout the organization along with the system of identifying, reporting, investigating and resolving all non-conformances and taking appropriate action to prevent recurrences.
